Hi my name is _____ I have been metal detecting for _____, and wanted to ask permission to detect on your property. Please contact me at_____. Thanks!

I always respect the property that I search and try to leave it in the same condition that I found it. Normally the targets are no deeper than 4 or 5 inches and I retrieve them such that the ground appears not to be disturbed. *I am a metal detector hobbyist and am in no way representing or am employed by White's*
